I agree to the processing of personal data provided in this document for realising the recruitment process pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation).

## PROFILE

Creative, organized and self-motivated. After working in e-commerce and manufacturing I feel like it is time to pursue a career that better reflects my interests i.e. UI/UX and graphic design.

I have recently finished a UI/UX online course. I am also developing my graphic skills in non-commercial projects, especially in the areas of my interests such as branding and advertising.

I am currently looking for a position where I can be involved in the design process with the opportunity to grow and further develop my skills.
